EDUCATION

Emory University

Ph.D. in Computer Science and Informatics

Aug. 2025 – Present

Atlanta, GA

University of California, Irvine

Bachelor of Science in Informatics

Sep. 2021 – Jun. 2025

Irvine, CA

Minor in Information and Computer Sciences

Advisors: Dr. Armando Beltran, Dr. Franceli Cibrian, and Dr. Gillian Hayes

RESEARCH EXPERIENCE

Graduate Research Assistant

Aug. 2025 – Present

Emory University

Atlanta, GA

- Developing inductive and deductive codebooks to analyze qualitative interview data from a user study examining perceptual accuracy across visual, tactile, and tabular data encodings
- Recruiting participants for a matched-design user study extending prior research on visual and tactile encodings through online recruitment platforms and community outreach to **52** local Atlanta organizations

Undergraduate Research Assistant

Jun. 2023 – Jun. 2025

University of California, Irvine

Irvine, CA

- Analyzed qualitative data from smartwatch user studies to uncover recurring themes and gain actionable insights
- Designed and developed interactive Streamlit dashboards to visualize clusters of **109 distinct themes** in order to highlight key contextual and semantic relationships
- Utilized ChatGPT 3.5's API to automate and refine the extraction of contextually relevant themes from user studies and feedback

Undergraduate Research Intern

Jun. 2024 – Aug. 2024

University of California, Berkeley

Berkeley, CA

- Developed an information retrieval system to capture key values (e.g., dates and case IDs) across **490 legal documents** totaling **32,849 pages**
- Implemented a semantic search-based clustering approach to group legal documents by contextual similarity
- Built interactive user interfaces with React.js and TypeScript to visually present comprehensive document analytics for various stakeholders (e.g., journalists and legal professionals)

TEACHING EXPERIENCE

Course Grader

Mar. 2025 – Jun. 2025

University of California, Irvine

Irvine, CA

Course: Information Visualization

- Graded and provided constructive feedback on roughly **125 assignments** at a time
- Responded to course-related questions on EdDiscussion, assisting an average of **10 students** per week
- Collaborated on continuous updates and enhancements to course materials

Undergraduate Learning Assistant

Jan. 2023 – Jun. 2025 (3 quarters)

University of California, Irvine

Irvine, CA

Course: Programming with Software Libraries

- Guided students through Python programming concepts to a cumulative total of **85 undergraduate students** that were primarily freshmen and sophomores with limited experience across **Winter '23, Spring '24, and Spring '25**
- Aided undergraduate students in learning how to use Git
- Assisted in proctoring a **159-student final exam** during **Spring '25**

Undergraduate Learning Assistant

Sep. 2023 – Dec. 2023

University of California, Irvine

Irvine, CA

Course: Programming with Software Libraries Accelerated

- Taught Python programming concepts to **50 undergraduate students** that were primarily third year transfers and freshmen with prior programming experience
- Provided focused, small-group debugging instruction to **3–5 students per session**
- Helped undergraduate students transition from their prior programming experiences in languages such as Java and JavaScript to Python

CONFERENCE PUBLICATIONS (PEER-REVIEWED)

- C.1** Beltran, J. A., Mofid, H., Parikh, H., Gondaliya, J., **Guzman, D.**, Shah, J., Escobedo, L., & Cibrian, F. (2025, August). Exploring Manifold-Based Clustering Techniques for Enhanced Inductive Thematic Analysis. In *International Conference on Software Engineering of Emerging Technology* (pp. 464-480). Cham: Springer Nature Switzerland. 

PROFESSIONAL SERVICE

- AccessComputing: Experiences of Graduate Students with Disabilities in their Programs and Research** Apr. 2026
Graduate Student Panelist

PROFESSIONAL ORGANIZATIONS

- AccessComputing** - Graduate Student Member Feb. 2025 – Present

AWARDS AND FELLOWSHIPS

- CRA-WP Graduate Cohort Workshop Scholarship** Mar. 2026
Gordon Hein Scholarship Aug. 2025
Awarded: \$10,000 (Declined)
University of California Leadership Excellence Through Advanced Degrees Fellowship Jun. 2023 – May. 2025
Awarded: \$8,000
2023 UC Irvine Information and Computer Sciences Diversity Conference Scholarship Aug. 2023
UC Irvine Chancellor's Excellence Scholarship Sep. 2021 – Jun. 2023
